

Robert Sweeney
Dracut, MA 01826
T (978) 319-3053
E Resume@sweenz.org

Please consider me for employment at your company. I love working with computer systems and people. You may already know that these two things are hard to find in a person. I am very comfortable with TCP/IP, LANs, WANs, WLANs, VPNs, 802.11x, MAC OSX (Including Leopard), Microsoft Windows server & workstation (including Vista & WHS) and Linux (Debian).

Experience

Counselor, North American Family Institute, Danvers, MA 2004 – present

I work with other talented people to rehabilitate severely abused children in a group setting. Contact Person, Donna Watts, (978) 766-8199

President/Owner, HomeServerNetworks.com, Dracut, MA 2004 – present

I install & maintain Windows and Linux servers, PC & Macintosh workstations and hand held personal data assistants for local small businesses. I also build advanced wide area networks with virtual private networking and 802.11x technologies .
Contact Person, Robert Sweeney, (978) 319-3053

Technical Contractor, Rondeau Communications, Waterford, ME 2003 – present

I worked in tandem with an electrician as a satellite and network installer for home and small businesses.
Contact Person, Steve Rondeau, (207) 890-9975

Broadband Engineer, East Coast Cable & communications, Tewksbury, MA 8/99 – 03

I installed cable modems, telephone and television services for MediaOne, AT&T, RCN and Comcast. I also installed commercial networks for small and large businesses.
Contact person , Yori Kasprzak, (603) 235-9907 or (603) 890-1660

Senior Technician, Electronic Planet Woburn, MA 12/1998 – 7/1999

I repaired, upgraded and serviced windows based workstations servers & home PCs. I also advised a staff of two very professional junior technicians,
No contact information available Company no longer exists
